presented by:

***Kenneth Timmerman***

**Best-selling author Kenneth R. Timmerman** has been tracking Iranian government terrorism and Iranian weapons of mass destruction (WMD) programs for the past twenty years. His latest book, *Countdown to Crisis: the Coming Nuclear Showdown with Iran*, was released by Crown Forum on June 14, 2005. He has done in depth investigations on these subjects for *Time Magazine*, *Reader's Digest* and other major news outlets, and been sought out for his expertise by a wide variety of U.S. government agencies, including the U.S. Army War College, the Department of Energy, and the Defense Intelligence Agency. Timmerman has also provided expert testimony on Iran in numerous court cases, both as a government witness and as a plaintiff's expert.

A regular TV guest, he has appeared on the O'Reilly Factor, CBS 60 Minutes, Nightline, Hannity & Colmes, and CNN Late Edition, and on virtually every major talk radio show in the nation.

In 1993, Timmerman authored a key Congressional report on Iranian WMD procurement. Since leaving the Hill, he has testified before Congress on many occasions on developments in Iran, published a monthly newsletter on Iran, as well as scholarly articles. In 1998, he testified on Iranian missile developments to the Commission to Assess the Ballistic Missile Threat to the United States (the "Rumsfeld Commission"). [Continued on reverse side]

## *Kenneth Timmerman*

[Biography Continued]

He first reported on the Iranian government's ties to al Qaeda in a ground-breaking investigation for *Insight Magazine* that appeared in November 2001, and has continued to break new ground on this story with access to U.S. intelligence sources and Iranian defectors.

Timmerman is the author of two New York Times best-sellers: *The French Betrayal of America* (2004) and *Shakedown: Exposing the Real Jesse Jackson* (2002). Other books include *Preachers of Hate: Islam and the War on America* (2003), and *The Death Lobby: How the West Armed Iraq* (1991).

He last spoke to the AIM/McDowell luncheon audience in November 2003, giving us a most interesting and revealing exposition of "Islam and the War on America." We are looking forward to this fresh opportunity for you to hear him again—or for the first time, if you were so unlucky as to have missed him then. Call in your reservation and mark your calendar now—Thursday, July 28 at 12:00 noon.
